## Article 2 - OFFICE

- 2.01 For the purpose of transacting business, the principal office of the Association shall be located within Southern California, at such place or places as may be designated by the Board of Directors from time to time. Normally, however, the principal office will be the home address of the current Commissioner of the Association.
- 2.02 The Association may also have offices at such other places within or without the State of California where it is qualified to do business as its business may require and as the Board of Directors may from time to time designate.

## Article 3 - PURPOSE

- 3.01 The specific and primary purpose of this Association is to act as a regulatory and governing body for member amateur hockey clubs and teams in SCAHA.
- 3.02 The general purposes and powers shall be as stated in the articles of incorporation of this Association.

## Article 4 - MEMBERSHIP

- 4.01 The League shall consist of regular members and probationary members only. A regular or probationary member is a club, organization or team involved in competitive play.
- 4.02 Membership shall be open to hockey clubs within the Southern California region of the Pacific District with approval from the Board of Directors.

- e) In **round robin** playoff games, if at the end of three (3) periods of regulation play the game is tied, the game will continue with one (1) 5-minute "sudden-death" 4 on 4 overtime period followed by a 5-man shootout, followed by a 1-man shootout. No player may shoot a second time until the team with the least number of players on its bench has used all its players. In "sudden-death" the winner will be awarded two (2) points for the win and the loser will be awarded one (1) point for the loss.
- f) In Semi-Final and Championship games, the game will continue with regulation-length sudden-death 4 on 4 overtime periods until a winner is determined.
- g) **Tie Breaking Rules to Determine Standings Position:**
  - i. If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie breaking format. If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team or teams are placed, the remaining tied teams shall start the tie breaking process again at step 1. (If all tied teams have not played each other, then proceed to step 2). *Note: A team may go into the tie breaking process having defeated another of the tied teams and still not advance.*
  - ii. The tie-breaker formulas are as follows:
    - 1) The results of the head-to-head games played between the tied teams in the following order:
      - a) Standings – Most points.
      - b) Most total wins (whether in regulation, overtime and shootout).
      - c) Differential – Subtracting goals scored against from goals scored in these games, the positions being determined in order of the greatest surplus.
      - d) Quotient – Dividing the goals scored in these games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie breaker is required, the teams shall be ranked high to low in descending order of "goals for."
    - 2) If after applying the formulas of 1 a, b, c or d the tie still exists, the results of all the games played by the teams tied in the following order:
      - a) Most total wins (whether in regulation, overtime and shootout).
      - b) Differential – Subtracting goals scored against from goals scored in these games, the positions being determined in order of the greatest surplus.
      - c) Quotient – Dividing the goals scored in these games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of "goals for."

- d) Most periods won – In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
  - e) Quickest first goal – The team that scored the quickest goal in their preliminary round games shall be ranked highest.
- 3) If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described. Note: If a team forfeits any of its games, and becomes involved in any tie breaking formula to determine its eligibility to advance to the next level of play, the team forfeits all games in the round robin play and the games are recorded as 1-0 victories for the nonoffending team.
- h) If a team intentionally no-shows one (1) or more games in the tournament, all games it has played shall be forfeited and shall be recorded as 1-0 victories for the opposing team(s).
  - i) If the tie still exists after applying the formulas as outlined, the formulas will be applied to all of the games played by the teams tied (not head-to-head).
  - j) There shall be a minimum of four (4) hours between games played on the same day and twelve (12) hours between games played on consecutive days. Time is counted from the end of one game to the start (puck drop) of the next game. No waiver shall be granted in championship games, except with permission of the team which will forfeit its rest period.
- 34.10 Each team participating in the SCAHA Post-Season Playoff Tournament shall furnish the following credentials to the SCAHA tournament credentials chairperson or his/her designee prior to the start of the tournament by the prescribed date, time and location and in the approved manner and form:

  - b) Four (4) penalties plus a Game Misconduct issued to a player in a game shall be assessed an additional Game Misconduct.
  - c) For the second misconduct penalty assessed to the same player during the same game, a game misconduct penalty shall be assessed to that player in lieu of the second misconduct penalty. Any player or coach accumulating three (3) Game Misconducts shall be subject to supplemental discipline at the discretion of the Discipline Committee.

- 35.15 Game Misconduct penalties are not appealable.
- 35.16 Coaches shall not consume alcohol in the presence of their team at any time.
